Re: Time Warner Cable Information Services - Complaints
Docket No. 2005-402-C, 2005-403-C, 2005-404-C, 2005-405-C, & 2005-406-C,

Dear Mr. Terreni:

We represent Time Warner Cable Information Services ("TWCIS") in the referenced dockets which are pending at the Commission. Three days of hearings are scheduled on these complaints next month. Respondents have moved to dismiss the complaints or hold them in abeyance. We have filed for TWCIS a motion for summary disposition. Our deadline for filing testimony is next week.

We have consulted with counsel for respondents and counsel for ORS and have reached an agreement on a proposal to the Commission on how to proceed. All parties agree that there is no reason for an evidentiary hearing next month. Instead we request that the Commission schedule oral arguments on respondents' motion to dismiss or stay and our motion for summary disposition. We have also agreed to request that the oral argument be scheduled for the morning of Wednesday, June 28. The oral arguments would address the legal issues raised by both motions. We further request that the question of any further proceedings in these dockets be deferred until after the oral argument.

Thank you for your consideration of this request.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
